BOY SHOT DEAD.

Body Found in the Woods—A Companion Under Arrest.

Springfield, Mass., Oct. 8.—Augustin Fialle, 17 years of age, son of John Fialle of Conway, was shot dead in that town Saturday morning, and Chas. Pair, a boy of about the same age, is under arrest on suspicion of having caused his death. It is believed the shooting was accidental. Fialle left his home about 6 o'clock Saturday morning to go hunting on Cricket hill with Pair. They went, according to the Pair boy, to the Hackett place, where they separated. Pair says he then returned to the village to the DeWitt & Hassell shoe factory, where both boys were employed. The family of the Fialles became anxious when he did not return in the evening, and parties were organized to search for him. Fialle's body was found about 10 o'clock Saturday morning on Cricket hill with Pair. They went, according to the Pair boy, to the Hackett place, where they separated. Pair says he then returned to the village to the DeWitt & Hassell shoe factory, where both boys were employed. The family of the Fialles became anxious when he did not return in the evening, and parties were organized to search for him. Fialle's body was found about 10 o'clock Saturday morning on Cricket hill with Pair.

The boy's gun, a single-barreled weapon, was in his hand and was loaded, indicating conclusively that his death was not caused by his own hand. The body was found by D. S. Bond, Fred Holcomb, George Robertson and Charles Pair, the boy with whom he started hunting in the morning. Word was sent to Medical Examiner Canby of Shelburne Falls, and on his authority the body was removed to the boy's home. The Pair boy was placed under arrest by Deputy Sheriff Johnson and taken to Greenfield. An autopsy on the body of the Fialle boy was held yesterday morning. Fialle lived with his parents a short distance away from the village of Conway. It was claimed late Saturday night that young Pair had stated that while he was going along ahead of Fialle his gun was discharged and Fialle was killed, but this could not be verified.

TO WITHDRAW COAL LANDS.

Determination of President Likely to Be Subject of Special Message.

Washington, D. C., Oct. 8.—It is understood that the President has finally determined to withdraw all of the coal lands not already taken up from entry under the land laws of the United States. The expectation is that he will issue a special message requesting Congress to change the statutes, but that meanwhile he will himself temporarily withdraw the coal lands of the country, as a basis for the order.

Mrs. J. H. Giles of Everett, Pa., says: I suffered for many years from kidney and gravel trouble. The pains from the gravel were simply awful. No physician or medicine at home did me any good. I finally began using Dr. David Kennedy's Favorite Remedy, of Rondout, N. Y. A few words tell the result. I am a happy and perfectly well woman once more.

GODDARD IS IMPROVING

Defeated Burlington High School 17 to 0.

IN SATURDAY'S CONTEST

Home Team Outplayed Visitors All Around Although Fumbling Was Responsible For Losses Several Times.

Goddard seminary played her second game of the football season Saturday afternoon with Burlington high school and won an easy victory, shutting out the Queen City school by a score of 17 to 0. The Goddard team showed a great improvement over its initial game three weeks ago with the Montpelier high school that resulted in no scores. They show the results of hard practice and better acquaintance with the workings of the new rules. They have worked up a good interference and the backs do snappy work. They tried the new forward pass twice in Saturday's game and the first time gained fifteen yards by it, but in the second attempt the throw was a little wild, and the ball landed squarely in the arms of the visitors' end. A good deal of punting was done by both sides. Heath, the Goddard quarter back, punted well, making from 20 to 25 yard gains.

The Burlington team was light, fumble badly and had poor interference. At no time during the game was Goddard in any danger of being scored on. J. Berry made the first touchdown in the first nine minutes of the game. Heath had just made a 20-yard gain and in the next rush Berry carried the ball over the goal line from the 15-yard line. In four minutes after the next kickoff, J. Berry had the ball over the line for the second touchdown, after making a sensational 30-yard run. McDonald made the third touchdown in the last half after receiving the ball on a double pass and getting around the whole visiting team for his run of 30 yards to the goal line.

In the first half Goddard kicked off to the visitors and the ball was downed on the 20-yard line. Burlington fumbled and lost the ball to Goddard on the first rush. In the first rush Goddard lost five yards on a fumble, but retained the ball. Heath then punted high in the air. The Burlington quarter back failed to catch the ball and Alexander pounced on it for Goddard on the 10-yard line. Burlington then held for downs and regained the ball. Johnson immediately punted 30 yards and Heath received the ball and ran in five yards, when he was downed. In the first rush Heath went around the left end for twenty yards and J. Berry went around the same end in the next rush for 15 yards for a touchdown. Heath kicked the goal.

Burlington kicked off to Goddard and the ball was downed on the 30-yard line. The visitors failed to gain in the first attempt and in the next S. Berry got back and caught the little left half and carried him back nearly a yard. Burlington then punted to the center of the field. Heath dropped the punt but picked it up in time to run five yards. McDonald gained ten yards in two rushes, and Olsen gained seven in two more. Goddard then fumbled and lost the ball. Burlington fumbled in the first rush and Alexander regained the ball for Goddard. McDonald went 20 yards and eight more were made through the line. Heath made 15 yards on a quarterback run, but the ball was taken back by Referee Blake and Goddard penalized five yards for holding. Goddard then punted to the 10-yard line just as time was up for the first half.

The Second Half.
Burlington kicked off to Goddard at the opening of the last period and the ball was downed on the 30-yard line. Heath tried the forward pass again. Olsen was playing out to receive the ball, but Heath's throw was too short and the Burlington end caught the ball. Burlington tried a place kick for the goal from the 20-yard line, but failed and Heath got the ball for Goddard. Goddard punted 30 yards. Burlington fumbled and Goddard regained the ball on her own 25-yard line. Heath went around right end for two gains for a total of 25 yards. J. Berry went through the line for five yards. Goddard fumbled in the next rush and lost the ball. Burlington tried end rushes twice with no gains and then punted 15 yards to Goddard. Goddard lined up and punted back 25 yards.

KENTUCKY WARNS THE MUTUAL.

President Peabody "Notified to Appear" and Explain.

Frankfort, Ky., Oct. 8.—Henry R. Prewitt, commissioner of insurance for Kentucky, has sent a telegram to President Peabody of the Mutual life insurance company of New York, notifying him to appear at Frankfort and give an account of his action in discharging Colonel Hindman of Louisville as general agent of the Mutual for Tennessee and Kentucky, intimating that if telegraphic reports are true, the license of the Mutual to do business in Kentucky will be revoked.

In his telegram to President Peabody, Prewitt says: "Press despatches today say Colonel Hindman has been dismissed from your service on account of having been nominated on opposition ticket of administration ticket. Is this true? Any note or bylaw of your company that permits such action on your part is unjust and unfair to policyholders, and is in spirit tyrannical and un-American. Such a company engaged by men who undertake to cover employees by such methods will not be tolerated in this state. You are notified to appear at Frankfort on or before October 13 to give a full account of your action in regard to this matter."

O'CONNOR AT THE WHITE HOUSE.

President's Study of the Celtic Sagas Has Increased Respect for Irish.

Washington, D. C., Oct. 8.—President Roosevelt Saturday received T. P. O'Connor, member of parliament, Michael J. Ryan of Philadelphia, the new president of the United Irish league of America, and Dr. Maurice F. Egan and William F. Downey, both of Washington. Mr. O'Connor had met the president several times. The president, alluding to his forthcoming article on the Celtic sagas, declared that his study of them had made him realize more than ever before the high place Ireland occupies in the story of learning and civilization, and that no man, especially with Irish blood in his veins, could fail to have respect for himself and his race enormously heightened by such studies. The president then asked Mr. O'Connor to give the message to the Irish people that his affection and admiration for them grew stronger every year and that he earnestly hoped for their prosperity.

Mr. O'Connor told the president of the great appreciation the English people had of his work in behalf of peace between Japan and Russia, and said he looked up among them as the statue of liberty does in New York harbor. Speaking on the subject of self-government in Ireland, he said a measure having that in view would be introduced at the next session of parliament and would pass the house of commons by a majority of 150 votes. The house of lords, which feared the terrors of refusing to accede to a popular demand, he hoped, would shrink from rejecting the measure. Mr. O'Connor left Washington late in the day for Boston, Mass.
